PROFESSIONAL SUMMARY

Highly skilled Frontend Developer with over 6 years of experience in designing and implementing responsive, user-centric web applications. Proficient in HTML, CSS, JavaScript, and modern frameworks such as React. Adept at translating design mockups into seamless, interactive, and accessible web experiences. Demonstrated ability to work collaboratively in agile teams, manage multiple projects, and deliver high-quality code on time. Strong problem-solving skills with a keen eye for detail and a passion for continuous learning and improvement. Committed to optimizing user experience and enhancing functionality through innovative solutions.
